187 Nonprofits Participated

\$1.2 Million
raised in 2021

3397 Unique Donors
198 Nonprofits Participated

\$8.1 Million raised by nonprofits in 9 years

ADDITIONAL HIGHLIGHTS

- ✓ NPCF joined with Laurel Ridge Community College and Germanna Community College to provide 6 scholarships through their financial aid offices in an effort to address improved equity of recipients and better distribution.
- ✓ Our Grants committee continues to improve our grant process by opening some grants for funding for operations and considering multi-year awards. Multi-year grants allow nonprofits to spend more time on services and less time grant writing.
- ✓ NPCF issued funding to the Piedmont Regional Dental Clinic, serving Culpeper and Madison counties, for pediatric dental services to children who are in desperate need and do not qualify for services.
- ✓ At the state level, NPCF supported the Virginia Mental Health Access Program (VMAP) with funding to provide more educational programs and webinars which are designed to help primary care providers better treat mental health in children and adolescents. The overall goal is to ensure improved mental health for children.
- ✓ NPCF provided funding for Madison County through the Department of Social Services to help families when CARES Act funding ended and the need did not.
- ✓ Additionally in Madison County, during 2022 NPCF awarded over \$20,000 in scholarships to deserving students.
- ✓ The launch of the NPCF Youth in Philanthropy (YIP) program. Opened for young people in all four counties so students could be more involved in community philanthropy and better understand the charitable landscape. Recently the group was nominated by the Education Committee of the Remington American Legion Auxiliary for the “Good Deeds” Award and won.
- ✓ NPCF provided support in Rappahannock County to launch the Behind the Wheel Drivers Education program through the public schools. Previously students had to travel out of the county and pay steep fees for this service.
- ✓ NPCF launched a new and improved website, www.npcf.org! And, we continue to update the NPCF Giving Guide, ourgivingguide.org, a great resource available for everyone to better understand our nonprofit community.
